School Council

Executive Reports		
Chair Report (provided in advance)	- Paula, Michelle and Mariclaire attended ECSD dinner meeting in October. Division had the dinner catered by students in the culinary program at St. Joseph's - to keep funds within the schools rather pay an outside caterer. ASCA was present and went over roles and responsibilities of school councils. We are in line with all items. One action item came out; to ensure that our voting process matches our Operation Procedures. Michelle has confirmed that our present process matches operation procedures. - Looking at school website, the 2024/25 monthly SC items (approved minutes, agendas, and P2P) are not showing up this year under the school council link, and SC agendas are unfortunately showing up on the EFAFA link. Could admin please look into and review process with admin support so that corrections can be made?
